Verse 1

F F Am Dm
It's comin' honey, I can feel it in my chest
Dm C F
It won't be long now, til I take my final rest.
F Am Dm
You sure have loved me, and you told me your whole life
C Bd
But the road above me, is callin' me this time.

Chorus:

Bd Am Gm C Bd Am Gm F
But All My Dreams have come true.

Verse 2

It's been a good run and I done the best I could
I wouldn't change a thing, hon, 'cause you made livin' good.
I'm glad I met you, you drove my fears away
I don't wanna leave you, I wish that I could stay.

Chorus: But All My Dreams have come true.

Verse 3

Go and call the kids now, I wanna' see 'em one more time
Dry your tears now, I'll see you in good time
So, for now, then I guess this is good bye
Just one more kiss then before I go away.

Chorus: But All My Dreams have come true.
