Release 2

I got no expectations  
I'm too smart for that  
But I might need directions  
As to where your head is at.  
I wish you'd stop your lookin'  
I'm as good as it's gonna get  
Why don't we just snuggle up  
And work it out in bed.

Repeat 1<sup>st</sup> Verse

Outside Chorus:

Baby, Come Home To Me (4 times)  
Come on home pretty baby to me (twice)  
Well, Come on   Come on   Come on
