V1. **C** **F**
Saw a sign for a Holiday Inn
 C
Thought I'd stop for the night

 F
Couldn't drive anymore through the rain

 G
I was hungry and tired
F **G**
Made a call to my wife
C **E_M** **A_M**
Told her that I'd be alright.

Ch. **F** **C** **G** **F**
And that I Ain't Gonna Lose My Love For You
F **C** **G** **F** **B^b** **F** **G**
I Ain't Gonna Lose My Love For You.

V2. I'd always carry an image of her
When I go on the road
But when I looked in my suitcase to find it
Her picture was gone
It seemed to be a mystery
'Cause I hardly ever lose a thing.

Ch2. But, I Ain't Gonna Lose My Love For You
I Ain't Gonna Lose My Love For You.

V3. I went down to the lounge
Where I sat at a table for one
This pretty red-head walked over and asked,
"Are you here all alone?
Would you care to join me for a drink?"
I had to stop for a minute and think.

Ch3. That if I'm ever gonna lose my love for you

Jonitunes Songbook

This is when I'm gonna lose my love for you.

Bridge **A_M** **B^b** **F** **A_M** **B^b** **F**
And who's to know about a secret love?
B^b **F** **A_M** **B_M** **A_M**
I'll hide it deep down in my soul
B^b **F** **A_M** **B^b**
But something near my heart was keepin' up
F **B^b** **F** **G**
With these believings of a fool.

Interlude: (talked)

So, I said to this long legged, fiery eyed temptress
with only a slight bit of a hesitation...

V4. I'm a married man

I got bald headed babies to prove it!
And this ring on my hand
Won't mean nothin' if I opt to remove it.
You're pretty as a girl can be
And honey, thanks for the opportunity.

Ch2. But I Ain't Gonna Lose My Love For You

No I Ain't Gonna Lose My Love For You.

V5. I went up to my room

I lay down and kicked off my shoes
Cracked open a brew
'N flipped on the tube to the news
And when I ran my hand across my heart
I found her picture in the pocket of my shirt.

Ch5. I guess I'm never gonna lose my love for you

I Ain't [ever] Gonna Lose My Love For You.
