Got a tractor in my livin' room

I got a little house out in the field

And my friend down the road's got a junkyard

He gimme anything that I can steal

I got a good guitar and a mason jar

That ain't filled with lemonade

V3. Well, well, well, well, well

Momma Joanie's she's a movin' down to Texas
But she really don't care to go
And she's givin' away all her ponies off
To people that she don't even know
Chicken hawk's pickin' on her chickens
And a fox is a' stealin' her hens
Momma Joanie ain't got much a' anything left
But she got her friends, she got her friends.

Chorus Repeat and ad lib
