Intro: (x2) **E B<sub>M</sub> A F<sub>M</sub><sup>#</sup> B**

V1. **E B<sub>M</sub>**  
I'm just a Local Boy and that's what I'll be  
**A F<sub>M</sub><sup>#</sup> B**  
I hang my hat where I cut my teeth  
**E B<sub>M</sub>**  
N' you can have my boots 'cause I'll never leave  
**A B**  
I'm local as you can get.

Ch. **E B**  
And I'm fine, bein' me  
**A F<sub>M</sub><sup>#</sup> B**  
Just a Local Boy, hangin' around  
**C<sub>M</sub><sup>#</sup> B**  
Keepin' time with my friends  
**A F<sub>M</sub><sup>#</sup> B**  
Not a care in the world.

V2. But I ain't waitin' for gold to just fall in my lap  
Or hopin' for things that I'll just never get  
Got a view of the world from my front porch step  
In focus as you can get.

Ch2. And I'm fine, bein' me  
Just a Local boy, hangin' around  
Keepin' time with my friends  
Not a care in the world  
Just a Local Boy to the end  
Bridge **C<sub>M</sub><sup>#</sup> G<sub>M</sub><sup>#</sup>**  
And baby, I don't want for nothin'  
**A B**  
You can't find inside this town.

V3. N' there's a local girl lives right down the street  
She's a one of a kind, she's just my speed  
And she's been all mine since were two or three  
We're local as you can get.
