Intro: **D A E_M G D A E_M D G A**

V1. **D A**
Not A Good Weekend,
B_M G D
Didn't make a dime at the Rodeo
D A E_M D G A
Had to hoof it in back from somewhere

Not a good feelin'

Walkin' home and showin' up broke

N' there's no sympathy left for me there.

Ch. **E_M D G A**
When I mounted-up old Blaze of Glory
E_M D G A
And I saw the fire in his eyes
E_M D G A
In a moment my life flashed before me
E_M D G A
And in the next one I was ridin' high.

Repeat Intro

V2. Yes, I'm a dreamer
But I think I got enough of what it takes
To be serious contender.
You know I've got the fever
And all I really need is a solid break
And a good ride on this Fender.

Ch2. And I'll keep searchin' for those days of glory
And when I find 'em I will hold on tight.
And in the end you just might read my story
About a player workin' overtime.

Br. **B C G F C G**
Why do I do the things I do
C G
I should have better sense
F A_M C D A
Than dreamin' like the way I do.

Repeat Intro Twice

V3. Maybe next weekend

I'll head it down the road to the rodeo
Saddle-up and take my chances
I gotta keep keepin' on
Gotta'put my nose to the grindstone
It's either that or ridin' fences

Ch3. And if I have to ride old Blaze of Glory

I'm gonna give it all I got this time
I'll be the final chapter in his story
I'll be the cowboy rode him overtime.
