V1. **D** **B_M** **C**
I'm leavin' everything behind this time
 E_M **C** **G**
And you can take what you want
 D **B_M** **C**
You can keep the love you thought was mine
 E_M **C** **G**
It ain't no use to me at all.

Ch1. **A** **B_M** **G** **D**
Tell me who you think of with your arms around me
 A **B_M** **F**
N' was it anyone I knew
 A **B_M** **G** **D**
When did you finally figure out that my name
 F **E_{SUS4}** **E**
Doesn't Start With Sue.

V2. I'm leavin everything except my car
It's gonna drive me away
Just like your fantasy that went too far
I'll be the one that got away.

Ch2. Who was that you mentioned when you said you loved me
It kinda came out of the blue
I think you need to be reminded my name
Doesn't Start With Sue.

Br. **E_M** **A** **C** **D** **E_{SUS4}** **E_M**
I just can't figure out what makes a man (you men) so dumb
 A
It could be chemical
 C **D**
Or maybe they're (you're) just overwhelmed
 C **D**
By way too many women and (by all these pretty women and)
 C **A_M** **D** **B_M** **E_{SUS4}** **E**
They (you) think they've (you've) got a right to fool around

V3. So, now I'm leavin' you behind this time

I'm headin' straight for the door

Keep your apologies 'cause I ain't buyin'

Your lame excuses anymore.

Ch3. I'm not a woman you can play your games with

I'm not a woman you can use

N' I'll bet I'm not your only woman whose name

Doesn't Start With Sue.
