Intro: **G F_{M6} G F_{M6}**

V1. **G F_{M6} G**
I'm takin' back what I said
F_{M6} A_{M7}
You can take all the time that you need
F_{M6} G
In The Interest of Love.

I don't need to know right away

If you're goin' or if you're gonna stay

So I'll try to keep hope alive.

Ch1. **G D_M G F**
I been thinkin' about all the things that we said
D_M C F
And mullin' it over and over in my head
F D_M C F
I know we're almost done
D_M C F G
And we're almost empty.

V2. In the beginning our hearts were content
And we followed 'em wherever they went
And love was so true
But time chipped away at the edge
We honed when our love was intense
When our love was so new.

Ch2. We've been over and over how things never change
And covered it over time and again
Are we almost done?
Are we almost empty?

V3. Now you're holding my fate in your hands

Your letter reads "Please understand,"

And goes on to explain.

"When an interest of love is at stake

And it comes down to bend or to break

They're each their own kind of pain."

Ch3. I've gone over and over this place where we stand

And decided you're what I admire in a man

And yes, we were almost done

We were almost empty.
