Where Do The Days Go
E_M D C
Well, these days just run together
B_M A G F
There's no start and there's no end.

V2. You could say my life's a hum and a drum
It's all the same all the time
And you could say my job is holdin' me down
I'm so bored, it's a crime.

Chorus Repeat

Br. **F G**
Sometimes I run around screamin'
F G
For no good reason at all
F E_M C_M D
I guess I'll settle for dreamin'
F E_M A A_M
And climbin' up the walls.

V3. So I'll shut up and I'll keep ploddin' along
It don't do no good to complain
When most of us are in the same frame of song
