Intro (x2): **C F C G F G C**

V1. **C D<sub>M</sub> F G**  
I was livin' in a trailer , all by myself  
**F G A<sub>M</sub> G**  
Feelin like a failure, a hollow shell  
**C D<sub>M</sub> F G**  
So I opened up a bottle to drown my woes  
**F G C**  
And wonder Where the River Flows.

Repeat Intro Progression once

V2. Well, I ran down to the river and I jumped in  
Swam into the middle, I was drunk as sin.  
Caught up in the current from head to toe  
I was goin' Where the River Flows.

Br1. **F C D<sub>M</sub> G**  
Someone call the police, dial 9-1-1  
**E<sub>M</sub> A<sub>M</sub> F G**  
Did anybody notice, this old boy was gone?

Verse – Yeah Yeahs

V3. When I woke up in the mornin' I was by the sea.  
Itty-bitty critters crawlin' over me.  
Sand inside my pockets and in my shoes  
But I found out Where the River Flows.

Br2. Moral to my story, is if you're feelin' down  
Don't jump in no damn river  
Drunk or you might drown.

Verse – Yeah Yeahs
